1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Duke Energy.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

A 17% increase at this time would not be a wise move for Duke Energy. Many of its' customers are on retirement and an increase would dig even more into our set income. I am retired and ask that Duke Energy not increase our bill at this time.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

NO, I do not..jg
